

# A UNIQUE SAP EDUCATIONAL OPPORTUNITY

## Consultant Certification in BPERP Integrated Business Processes in SAP ERP Best Practices

Victoria University in partnership with SAP will be offering Consultant Certification in BPERP Integrated Business Processes in SAP ERP Best Practices. This course is only available to students enrolled at an SAP University Alliance member university (University of Melbourne, Swinburne University, RMIT, and Monash University).

This is a unique opportunity as this is the first time this course has been offered to post graduate students in Australia. SAP has allowed this course to be offered at a significantly discounted cost. Places in the course are limited due to computer laboratory size. Details for the course are outlined below
