

SAP Customer Profile Engineering, Construction, and Operations

Rautaruukki Corporation (Ruukki), headquartered in Helsinki, Finland, supplies metal-based components and systems to the construction and mechanical engineering industries. The €3.7 billion company, which has operations in 23 countries, chose the SAP NetWeaver® platform to support its new intranet and SAP® Consulting to ensure a successful rollout in numerous locations.

AT A GLANCE

Key Challenges

- Integrate corporate data and enable company-wide communication via one information channel
- Enable flexible content creation, editing, and publishing in company's new intranet

Project Objectives

- Implement a portal solution that is suitable for short- and long-term needs
- Ensure rapid and successful rollouts at 29 locations at once

Why SAP® Solutions and Services

- The software's ability to support Ruukki's strategic goals
- SAP® Consulting's high level of expertise and direct link with SAP development team
- Support for extensive international content creation via the SAP business package for Web editing

Implementation Highlights

- Pilot implementation in Finland and Sweden, with subsequent go-lives in 14 other countries
- 12,000 users live with the company's enterprise portal and 100 editors live with the SAP business package for Web editing

Key Benefits

- Easy replication of content publishing template for further rollouts, saving time and money
- Unified processes and communication via one channel
- Ability to use familiar tools, such as Microsoft Office

Industry

Engineering, construction, and operations

Solutions and Services

- SAP NetWeaver® Portal component, including the Knowledge Management component and collaboration rooms
- SAP business package for Web editing
- SAP Consulting services

Existing Environment

mySAP™ Business Suite family of business applications

Implementation Partners

SAP Consulting; IBM for hardware; and TietoEnator for hosting

“Despite the challenging goals we set for ourselves, this project was a big success. SAP Consulting provided invaluable support during the implementation, and we are happy to have SAP as a strategic partner in the long run.”

Mika Säkkinen,
Manager, Corporate Portals,
Rautaruukki Corporation
